Four County Mental Health
22214 D Street
Winfield, KS 67156
620-221-9664

Job Description

Four County Mental Health Center, Inc. has been an area provider of public mental health services since 1964. Historically, being the designated community mental health clinic meant that citizens of each county had access to only two services: Outpatient counseling and psychiatric/medication services. Over the past several years, our scope has increased to include more than 40 service programs designed to meet the unique needs associated with all ages and mental/behavioral health challenges.

Adult Case Manager (CPST) – Position consists of working with adults with severe and persistent mental illness and aiding these patients in accessing needed community resources. Involved flexible hours and travel within the county and surrounding area (agency will reimburse for mileage). Bachelor's degree, four years of experience in the field of human services or a combination of the two to the equivalent of four years is required. Demonstrated familiarity with major forms of mental illness including characteristics of severely and persistently mentally ill adults preferred. Hourly position: starting wage is \$21.15/hour-\$44,000.00/year. (Full-time/Cowley).

Kids Konnections Attendant Care- This position consists of working one-on-one in a home-like setting with children ages 6 to 18 years old on the weekends. Staff will be responsible for care of and activities for the child, while maintaining safety. We are seeking individuals who enjoy working with children, whom are flexible, dependable and would like to earn extra money while doing something rewarding!

- Starting wage is \$15.71hour. (Part-Time Weekends).

Crisis Support Specialist – This position works directly with our patients in the roles of observation and transportation. Must be able to demonstrate interpersonal skills, have

the ability to work with persons with mental and/or physical impairments, and possess the ability to react effectively in a wide variety of human service situation.

- Starting wage is: \$16.39/hour. Hours for this position are part-time prn (as needed).

Crisis Diversion Services Therapist On-Call PRN – Position entails serving on an on-call rotation as needed, providing emergency services for both adults and children in the agency catchment area. Ability to provide excellent customer service to agency business partners and patients is a must. Added benefits for this position include: Enhanced salary rate for on-call coverage periods, opportunity for incentive pay and extra days off each month. Requires a minimum of a master's degree from an accredited institution which provides graduate training in social work, counseling, psychology, or marriage and family therapy. Potential applicants must be licensed or immediately eligible for licensure in Kansas.

- Wage is: \$40.00/hour (Part Time)

Children's Attendant Care – Position provides one-on-one and group support/supervision to patients and families in the home, community, and school settings through the use of the strengths-based model of care. Additional skills necessary for the position include good communication and teamwork abilities while maintaining overall positive regard for those being served. Experience preferred but not required.

- Hourly position: starting wage is \$15.71/hour. (Part-Time)

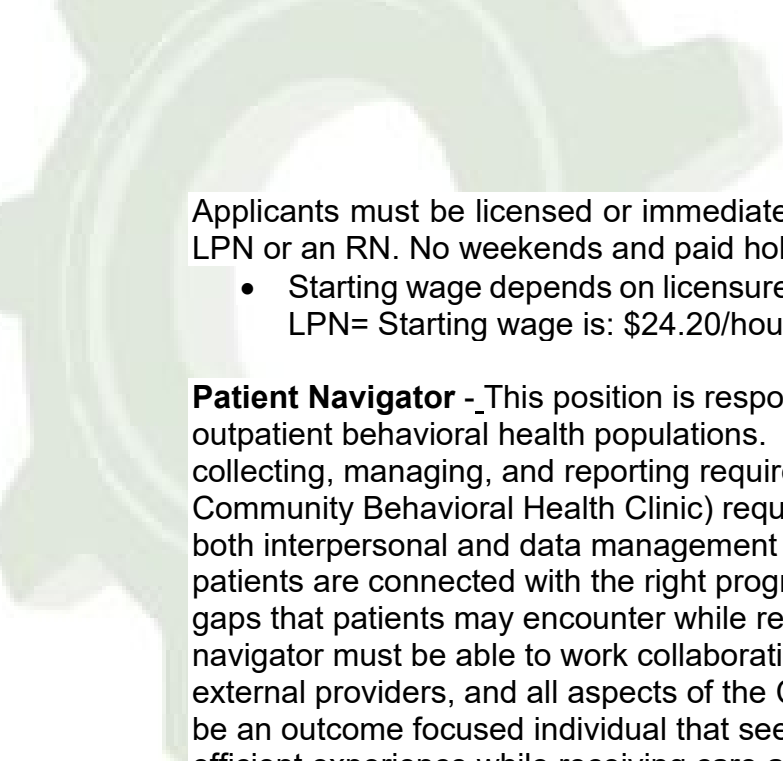

Assertive Community Treatment Peer Support Specialist –The ACT Peer Support Specialist is an integral part of a multi-disciplinary team of mental health clinicians. This position provides a voice of lived experience while helping clients to identify a path to his/her recovery. The ACT Peer Support Specialist will be expected to manage his/her own schedule and will also be expected to work in a team environment that includes daily team meetings. The vast majority of services will take place in client's home and/or in the community. Must have a High School Diploma or GED and a minimum of 2 years personal life experience of receiving Behavioral Health Services.

- Hourly position: starting wage is \$32,672.00/year – 15.71/hour. (Full-Time)

Adult Employment Education Support Case Manager – This position is needed to partner with adults with severe and persistent mental illness to aide in working towards obtaining and maintaining employment, achieving set employment or academic goals and documenting progress made. Involves flexible hours and travel within the county and surrounding area (agency will reimburse for mileage).

- Hourly position: starting wage is \$21.15/hour \$44,000.00/year. (Full-Time/Cowley)

Medical Services LPN/RN - Office based position will work directly with a psychiatrist and/or nurse practitioner. Primary duties include maintaining and managing the physician's schedule, providing medical assessments, refills, and injections under the direction of the RN and/or physician and charting in an electronic health record.

Applicants must be licensed or immediately eligible for licensure in Kansas as either an LPN or an RN. No weekends and paid holidays!

- Starting wage depends on licensure: RN=Starting wage is \$28.60/hour (Part Time)
LPN= Starting wage is: \$24.20/hour (Part Time)

Patient Navigator - This position is responsible for providing care coordination for outpatient behavioral health populations. The patient navigator is also responsible for collecting, managing, and reporting required data related to CCBHC (Certified Community Behavioral Health Clinic) required outcomes and measures. This requires both interpersonal and data management skills. The patient navigator assures that patients are connected with the right programs and services and seeks to close referral gaps that patients may encounter while receiving care in the CCBHC clinic. The patient navigator must be able to work collaboratively with clients, families, internal programs, external providers, and all aspects of the CCBHC network. The patient navigator must be an outcome focused individual that seeks to help clients have an effective and efficient experience while receiving care at the CCBHC. This position presents an exciting opportunity to participate in a new program which is geared towards increasing access to and improving the quality of community mental health and substance use disorder services in pursuit of healthier communities. A Bachelor's degree or equivalent combination of education and/or experience in the human services field is required. Hourly position: starting wage is \$44,000/year – \$21.15/hour. (Full Time)
