

Machine Operator 1st Shift

Employer

Schwihag

Position Information

Job Title: Machine Operator 1st Shift

Employment Status:

FLSA Status:

How to apply: Online

We are looking for a skilled **Machine Operator** to set up, maintain and operate machinery. You'll ensure the interminable and efficient running of production. A great machine operator is reliable and able to work with attention to detail and safety standards. On-the-job training is a good way to discover how to do the job better, so you should have willingness to learn and improve. Being a **team player** is essential since all tasks will require close collaboration with co-workers. The goal will be to ensure that production procedures will be carried on smoothly to maximize efficiency and profits.

Responsibilities:

- Set up machines (calibration, cleaning etc.) to start a production cycle
- Control and adjust machine settings (e.g. speed)
- Feed raw material or parts to semi-automated machines
- Inspect parts with precision and measuring tools
- Fix issues that might occur during the shift
- Check output to spot any machine-related mistakes or flaws
- Keep records of approved and defective units or final products
- Maintain activity and downtime logs

Requirements and Skills:

- Proven experience as a **machine operator**
- Working knowledge of diverse high-speed machinery and measurement tools (caliper, micrometer etc.)
- Understanding of production procedures
- Adherence to health and safety regulations (e.g. constant use of protective gear)
- Ability to read blueprints, schematics and manuals
- Analytical skills

- 
- Attention to detail
 - Teamwork and communication skills
 - Physical stamina and strength
 - High school diploma or equivalent; technical degree is a plus
 - Be able to work from 6 am – 4.30 pm Monday through Thursday or alternative from 6 am – 2.30 pm Monday through Friday depending on Company needs
 - Be able and willing to work overtime if necessary
